You will now have the option of logging into your account (if you already have one) or you will need to scroll down the page a bit and create your parent/family account. You will enter your parent information at this point and then you will have the opportunity to add your child.

After either logging in or setting up your account, you will see this, select "My Child":

Select Your Role

Please, make your selection below to see additional options.

I would like to register:

- My Child 
- Myself as a Staff Member (i.e. Coach, Team Coordinator)

Here is where you will either add a new child or select one that you have already registered:

Choose a child

Add a new child

Parents, select your child from the list below. If they don't appear here yet, click the "add new child" button first to add them now.
